ERRATUM TO: [JHEP12\(2023\)192](#)

ARXIV EPRINT: [2310.13837](#)

In footnote 5 a typo occurred: the signature σ was not correctly assigned. The correct first sentence in footnote 5 should read: “For quark GPDs, $\sigma = +1(-1)$ denotes antisymmetric (symmetric) behavior under $x \rightarrow -x$, and the reverse holds for gluon GPDs.”

The name of one of the coauthors was written incorrectly in the published version: it should read “Kornelija Passek-K.”
